... a singularly pernicious, spectacularly vile piece of dialog just wedged itself into my teentsy tiny brain...

Rosie - "So, like, just why DID you people here at Gynormous Unlimited want to sign me up on your label?"

Guys [in unison] - "Oh, we're FANS!"

the most deadly curse known

a monstrosity
spreading 'crost the galaxy
an unbeatable and irreducibly complex
PHENOMENON -
"The Fan."

[Cary Lenehan](#) - hey, I kind of hate to bug you over this stuff again, but isn't entering in to a contract that double--bound 10x over that's intended to lead to the death of your favorite artist who happens to hold your only chance of survival kind of, wel, moronic?

BUT she will become the curator of the glorious memory of [bonze blayk](#), whose exemplary and entirely heroic resistance to an organized smear campaign led to fruitless efforts to whore her ugly self, and then to suicide and...

HOLD ON - suicide isn't glorious in Western socio-religious traditions? The memory of [Bonze AnneRose Blayk](#) won't be worth spi!

ONLY THE SHADOW KNOWS...

"Shadow" - an unconscious aspect of the personality which the conscious ego does not identify in itself. Because one tends to reject or remain ignorant of the least desirable aspects of one's personality, the shadow is largely negative...

"According to Jung, the shadow, in being instinctive and irrational, is prone to psychological projection, in which a perceived personal inferiority is recognised as a perceived moral deficiency in someone else."

Rosie here is largely free of the failures wrought by unconscious shadow-projection... why?

Because as God is my witness, I am about the biggest asshole the world has ever known!... in the history of... ah, the history of... oh YEAH, baby!

"... IN THE HISTORY... OF HISTORY!"

Great catch-phrase, no?

LOL

Garry Bordonaro - The bottom line here, which I just nailed down?

Radical feminists supporting closet gayboy Neal Gray's crazed obsession with killing me dead, DEAD FOR REAL, into which he drafted Lenora Quvus, his wife by a "secret marriage",† have dictated THIS as the ultimate outcome of adherence to the BULLSHIT contracts people sign off on:

– You're trying to force them into fucking... "my beautiful corpse!" –

-> TRUE <-

No kidding, that's where complying with that idiotic TOS and NDA will wind you up ... fucking my corpse... after I die "accidentally" in surgery ... ON VIDEO for ALL THE WORLD TO SEE!

"An amazing thing happens when women-identified women have the chance to speak, away from THE CARNIVOROUS AND NECROPHILIAC BEHAVIORS OF MEN..." ‡

- "Radical Feminists" involved here INSISTED on this outcome!

You see, Lenora is what you would call "inheritance poor," a rich kid, not permitted to live her own life... wow. Neal Gray and her family are trying to get her institutionalized... for insanity?

Because in covert ways, she's trying to save my ass... so she can OWN my

ass ENTIRELY! I love her totally, and it's cool by me that she's a sadist... because I'm a masochist!

I am OVERJOYED that Lenora has finally showed up, with an intellect sharp enough to figure it all out AND a personality powerful enough to kick my ass FOR REAL... by proxy? OMG! What a turn-on!

And she's beautiful, which don't hurt none... it hurts A LOT, and I'm loving it! Lenora worked for years directing tranny porn, and now she can get back in the biz... with me as her slave? OH WOW!

That only happens if I'm actually alive, though, which means I need to get fucked, and fucked mean, BEFORE I'm dead already!

... I'm humiliated as all get out, because I have to beg for it. Wow, I'm so damned hot, I dress like a whore, I shake my booty in public like I'm dying to get fucked already... and I have to BEG to get raped?

... and you guys think this is all about "art" or something? "Am I THAT ugly?" - Shit. My feelings are hurt!

Sincerely,
- [Bonze AnneRose Blayk](#)

† Yeah, she's married already, to the biggest asshole in Upstate New York! That's what people keep leaving of statements they're not permitted to finish?

"She's beautiful, but..." - but SHE'S MARRIED ALREADY! LOL - "not for long!"

This means that no male-born or male-identified person is given a platform to speak in this space. An amazing thing happens when women-identified women have the chance to speak, away from the carnivorous and necrophiliac behaviors of men. Our conversations get deep, rich, interesting, and fun. This atmosphere is valued and will be protected."

[Zoe Ellen Brain](#) - we're getting closer to the Heart of Darkness here... these people really ARE in love... with DEATH..
