"All PIV is rape!" — PIV = "Penis In Vagina"

"I am pleased to no end to see how UNCOMFORTABLE you all are with the idea of all PIV as rape. Think real hard on it. Some of you might come up with the right answer." – Cathy Brennan

Wow! "radfem"-style RADical FEMinism *Rocks the Stupid!*

PS: PIA = Penis In Anus? "That's OK, 'coz *appease Gay Inc.!*"

"We understand them, even if we don't particularly like them" - Cathy Brennan

PPS: My Sekirt Lesbian Lover Katzi - "Der Brennanista," "The Bugmeister," or "The Buggy One" are my favored *terms of endearment* for her? - is perhaps *more clueful* than you would think - "perhaps." (shrugs)

Other/Wise - I MUST comply with THESE rules, for the time being?
- "Reversing the course of a battleship takes time!"

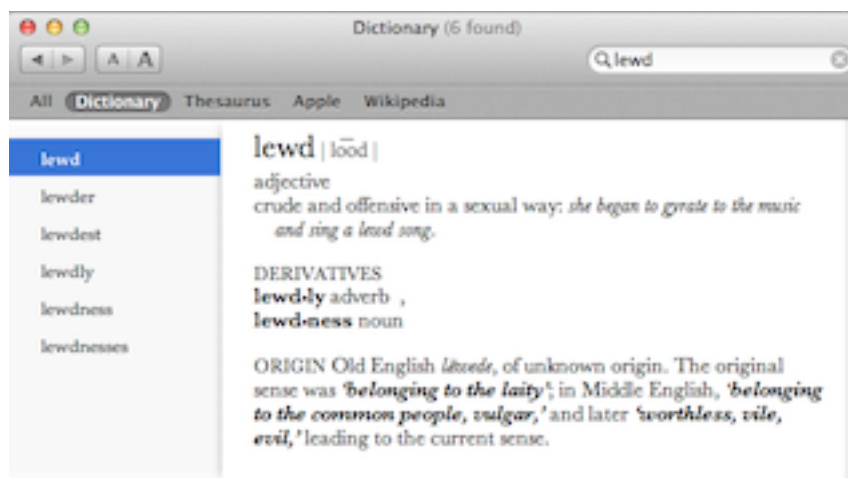

THINGS THAT ARE STRICTLY PROHIBITED

Chapter 5 p.59

5. ***Pornei'a***: (Lev. 20:10,13, 15, 16; Rom. 1:24, 26, 27,32; 1 Cor. 6:9, 10) *Pornei'a* involves **immoral use of** the genitals, whether in a natural or in a perverted way, with **lewd intent**. There must have been another party to the immorality — a human of either sex or a beast. Willing participation incurs guilt and requires judicial action. It is not a casual touching of the sex organs but involves the **manipulation** of the genitals. It includes oral sex, anal sex, and manipulation of the genitals *between individuals not married to each other*. (lv p. 99; w06 7/15 pp. 29-30; w04 2/15 p. 13; w00 11/1 p. 8 par. 6; w83 6/1 pp. 23-26) *Pornei'a* does not require skin-to-skin contact, copulation (as in penetration), or sexual climax.

Solution?

***Shun* "lewd intent!" — "KEEP IT CLASSY!"**

Hence: *raep* is the unavoidable result of exposure to irresistible temptation — legally a nullity? – and spiritually, merely "an error common to *all men!*" ... in the course of conducting "a screen test completely free of all intent to *inflict sex!* On *anybody!*"

**'COZ SEX IS EVIL! —
AND THUS,
SHOULD ONLY BE ENJOYED
BY *BAD PEOPLE!***

My defense for my flaunting behaviors, *insane* levels of flirtatiousness, and utter inability to resist *raep?* **BRAIN DAMAGE!** ... and due to the PCP attacks, it's true: see *Klüver–Bucy syndrome* and "Hyperorality" and "Hypersexuality".

"I'm not *bad* - they just *framed* me that way, and the truth now is, I'm now as *mad as a hatter!*"

- *AnneRose Blayk-*

(a truth self-evident, I should think!)

6. Self-abuse, or masturbation of oneself, is not *pornei'a*.

7. One who was **raped** would not be guilty of *pornei'a*.

Discernment is needed in considering claims of rape, taking into consideration such factors as the mental disposition of the person, the circumstances that led up to the incident, and any delay in reporting. — w03 2/1 pp. 30-31; it-1 pp. 862-864; w83 3/15 p. 30 ftn.

Chapter 5 p.61

11. Evidence (testified to by at least two witnesses) that the accused stayed all night in the same house with a person of the opposite sex (or in the same house with a known homosexual) under improper circumstances. — If questions are raised regarding Scriptural freedom to remarry, see 12:12.

Chapter 5 p.64

An entrenched practice of viewing, perhaps for years, abhorrent forms of pornography that is sexually degrading. Such pornography may include sadistic torture, bondage, gang rape, the brutalizing of women, or child pornography. Brazen conduct would be involved if the offender was promoting such material, such as by inviting others to view it, thus giving evidence of a brazen attitude. - w06 7/15 p.31.

ANYWAY, THAT'S THE JIST OF IT?

"Why Bad Guy Jehovah's Witnesses Love Raep... and Bad Girl Jehovah's Witnesses Get Raeped So Much!"

"Whatever! Am I ever going to get laid?"

Yes, but only *in my grave*, if these assholes have their way, and continue to succed in compelling Lenora to *fuck up her own act* by forcing her to blackmail the very few guys I find 'acceptable' in Ithaca – including Dick! – so as to prevent any of them from fulfilling the terms of *her* contract by getting me **PROPERLY LAID!**

PS: In case you aren't aware of the situation, Lenora suffers from a serious physical illness, and really needs this relationship with ME, because I'll take good care of her, no matter what ... and she knows that.
