Let's talk

Thoughts

Opinions

Facts are for the weak minded, those without the strength to hold onto their own **opinions**.BOCTAOE

But of course, there are obvious exceptions

The original "virtual reality".

A low tech device utilizing varying grades of imagination, the operation of which requires neither batteries nor intelligence.

Any sufficiently advanced **opinion** is indistinguishable from magic.

The **Big Lie**, Adolf Hitler

Unlike Quantum Mechanics or String Theory, many more believe in it, and some more even understand it.

The majority believe that they understand it, well, it is in their opinion that they "understand".

"God does not play dice" --Albert Einstein

Nor does anyone else with some branes.
