this happened about two years ago. went to a dance club in ithaca where gay, lesbian, cd, and tranny hang out in back of dance floor. I wore my leather tight pants and open shirt. having a drink at bar looking at all the people dance and mingle . spotted a gurl on the side of room dressed in a white with blue flowers dress and glasses, she looked the subbie type. I walked over and offered her a drink and some conversation. we danced some and then did a slow dance as I held her I could feel the outline of a bulge pressing into my cock. out of nowhere she asked if we could go somewhere private. I took her to my house and poured two glasses of wine as we sat and chatted , she was a grad student at cornell for the summer . she was so cute with a tinny body and pleading eyes behind glasses. I just had to touch her .I put my hand on her crouch and felt a nice hard on and in turn she told me she needed to be fucked . took her to bed room and took her dress off . what a body she had a flat chest with small hard nipples and a cock that screamed -eat me. there was no hair at all on her and a small bubble but . we went right to a 69 position with me on bottom which i prefer to be on top . she took my cock like a pro and I sucked on her hair free balls , she arched her back and put her love hole right over mu mouth and lowered it on to my waiting mouth , I rimmed and tongued fuck fer hole like it was my last meal. she laid down and opened her legs for my cock. she had a to die for cock herself. I lubed up and entered her with no problem she was so open it slid right in, it was not tight just warm and loose. I fucked her for some time in all different positions till I was num and could not feel any sensation in my cock but was hard as a rock and wanted to cum real bad. laying on her back with a devious smile she wanted me to sit on her cock . without hesitation i knelt over her and kissed her cock with my ass hole , I took that cock in one swift move right to her balls , her cock swelled so big I thought i would bust a gut, her cock rubbed my prostrate and all i could do was drip cum for the next 20 minutes , I pinched her nipples hard as she unloaded cum in my hole , the more i pinched the more she pumped in me . when i got of that hard cock I let loose with a stream of hot cum . after all this i still had a hard on. that nite i will never forget.
