Hi Dick!

I hope you are doing well, indeed better than you had expected...

I'd like to thank you for our recent colloquy, more fascinating than any I have enjoyed for years; I hope we can take it up again, perhaps around the point at which I declined to impose upon you for a cigarette?

... at your convenience,

thanks, sincerely,

– bonzie anne

Hello again, Dick!

I thought you might find this entertaining... truth is, it had been quite a while since I last heard this song – when it was performed by JAMO at Micawber's back in 1996, as a matter of fact?

The coincidence made the idea of working up this video irresistible!

... amusingly enough, the band was fine with the SPAMvertising I tacked on. Well, free A/V production of a great performance... who could complain? 😊

I hope you're getting along OK...

thanks, & (x x) – fingers crossed
