"Bonfire" @ The Haunt AC/DC Tribute - 7PM 4/20 - YIKES

Apr. 18, 2013 @ 7:07pm

I would assume you enjoy Bon Scott-era AC/DC?

I'll almost certainly be there... say hello if you show, OK?

PS: 4/20? Will there be a concession stand (yes), with "Bonfire"-branded herb? (no).

I'm feeling the let-down already!

(smh)

Be well, and like that,
- bonzie anne

[You:](#)

PS: Herman Nugent's TOTALLY RED Karaoke Birthday Mega-Bash rocked! And me too: LOL

... "Flirtin' With Disaster", "It's My Life", "Subdivisions"; I shall learn to live with the disappointment of not getting my 4th selection in:

"Children of the Grave"

(dammit)

Well now, and...

Feb. 5, 2013 @ 11:10pm

Gee, I am hoping that number thing isn't too challenging?

... since I don't even know whether tsdating strips web addresses from emails, just to be perfectly clear, it is: 607 277 5808.

So... I do kind of wonder whether you have a take on my AFF profile. Amazingly long, is it not? And there's only one lie in the whole thing!

I pay little attention to that site, since it's incredibly slow and almost wholly populated by lookie-loos... sad.

Anyway, have a great day, OK?

thanks...

- bonzie anne

You:

PS: Oh yeah, a thought that had eventually triggered off your first email... "Be unique!" Now, Nietzsche has that rap about "The tragic artist", but I'm not nearly so much a fan of Nietzsche as I am of Max Stirner?

The original title of his masterpiece got translated into English as "The Ego and Its Own", but that's a pretty shitty rendering of "Der Einzige und Sein Eigentum"... which is not exactly translatable, but is more like "The Unique and Its Possessions" or something similar, where "possessions" is likely some kind of joke on Stirner's arguments about people being "possessed" by their ideas... rather than living their own lives?

Whatever, my grasp of the German language was never very good, and these days? It sucks!

LOL

You know how they say...

Jan. 16, 2013 @ 2:13pm

"Don't share information about yourself online! Don't use your real name, or publish photos, and NEVER we mean NEVER include your phone number!"

Well, I do.

On the other hand, most of these dumb "services" (like Facebook) don't list your phone even if you make it "public", so here's the shortcut:

You:

thanks,

PS: Nice wheels, and properly formed English sentences! (swoons)

Intriguing and Alluring!

Tmonster72:

I gotta love a girl that quotes Nietzsche. You're the 2nd girl i've come across to quote him. She quoted "The true man wants two things: danger and play. For that reason he wants woman, as the most dangerous plaything." I'd like to give you a call some time, however it seems an impossibility as you've neglected to give me your number.

"Unique"? Unquestionably! "Yes", well, "maybe".

Jan. 16, 2013 @ 12:02pm

"The tragic artist is no pessimist: he is precisely the one who says Yes to everything questionable..." - Friederich Nietzsche

You:

True, that, but since I'm a comedienne by nature rather than a "tragic artist", you may or may not "get lucky"?

Anyway, look me up; "Anne Rose" is my real name, as in "b.A.R.blayk" (just like on the photo!), and if you're not too horrified by the videos and profiles you come across when Googling me, give me a call sometime, OK?

thanks!

Tmonster72:

Hmmm...

Jan. 16, 2013 @ 8:36am

Hi! You seem like the type of girl i'd like to get to know better and become friends with. Be unique, SAY YES!
