**"Screaming For Vengeance"**

Hey listen don't you let them get your mind  
Fill your brain with orders and that's not right.  
They're playing at a game that draws you closer  
Till you're living in a world that's ruled by fear.  
Always takin' baby out that's o.k.  
What they're givin' maybe it's out of phase with me.  
Told you one you're never gonna win the race  
Same old no tomorrow kicked in the face.  
We are screaming, screaming for vengeance  
The world is a manacled place.

Screaming, screaming for vengeance  
The world is defiled in disgrace.  
Tie a blindfold all around your head  
Spin you 'round in the torture before the dread.  
And then you're pushed and shoved into every corner  
Then they lead you out into the final slaughter.

As the sweat is runnin' down your neck  
All your praying for's to stop your body breakin' up.  
Oh your heart is pumpin' gonna soon explode  
Got to fight the horror of this mental load.

So you wait it out and bide your time  
Rip off that straight jacket gotta break that line.  
Everyone who wins in the great escape  
Leaves a thousand more who suffer in their wake.

I don't talk about it but that's alright  
Table's turned now there's a revenge in sight.  
If it takes forever babe I tell ya I can wait  
Send them screaming back through their hell's own gate.
