## **MHU: Group Therapy Note**

### **- Service Type**

**Service Type:** 90817 Psychotherapy 20/30 - Anne Rose requested discussion this morning. After brief discussion of discharge planning concerns, she resorted to scolding this writer for being part of hospital staff who is complicit with her continued admission against her will. She quickly escalated when prompted to lower voice and engage in appropriate dialogue. She continues to be invested in conflict with the hospital rather than treatment or discharge planning.
