re: dataComet-Secure license quotation for SAIC/NASA HQ

databaseast, Inc., will offer upgrades of the existing NASA HQ dataComet site license to a license for dataComet-Secure (both 5.0.5 and 10.0.1) for the following prices:

Quantity	Price/Seat	
20	@ \$50	\$ 1,000
	less credit	\$ <150>
	Total	\$ 850
150	@ \$40	\$ 6,000
	less credit	\$ <1,500>
	Total	\$ 4,500

| 1,000 Unlimited site license
Special Quotation
Total \$ 20,000

These are perpetual licenses for existing versions of dataComet-Secure, including both the OS X version (currently 10.0.1) and the Classic MacOS version (currently 5.0.5); no license renewal fees are required. Maintenance upgrades (as they are made available) are also covered under this license.
